PROFILE SUMMARY

Creative and detail-oriented UI/UX Designer with one year of experience at Deloitte, specializing in user-centered design for the Corteva project. Proficient in creating intuitive, visually appealing, and responsive interfaces using Figma, Adobe XD, and front-end technologies. Experienced in user research, wireframing, prototyping, and collaborating with cross-functional teams in Agile environments.

PROFESSIONAL EXPERIENCE

Deloitte U.S. India Offices (USI) | Analyst Trainee

Bangalore, India | Sep 2024 – Sep 2025

Roles & Responsibilities:

- Designed and implemented user interfaces for the Corteva web platform focusing on usability and aesthetics.
- Created wireframes, prototypes, and high-fidelity UI designs using Figma and Adobe XD.
- Collaborated with developers to translate design concepts into responsive, functional front-end code.
- Conducted user research and usability testing to improve user experience and accessibility.
- Worked in Agile teams, participating in sprint planning, daily standups, and retrospectives.
- Maintained design consistency and contributed to the creation of a scalable design system.

PROJECT EXPERIENCE

Project: Corteva Front-End Modernization

Role: UI/UX Designer | Deloitte

Environments: Figma, Adobe XD, HTML5, CSS3, React.js, Bootstrap, REST APIs, Git, GitHub, Agile Methodology.

- Designed interactive prototypes and responsive layouts improving overall user engagement.
- Collaborated with developers to ensure seamless integration of UI elements into the React-based framework.
- Enhanced the visual appeal and accessibility compliance of Corteva's digital interfaces.

- Worked closely with stakeholders to understand requirements and translate them into effective design solutions.

ACHIEVEMENTS

- Successfully completed Deloitte Launchpad Program in UI/UX Design.
- Completed AI Fluency Learning Pathway by Deloitte.
- Recognized for innovative design contributions improving user experience on the Corteva platform.
